Cantique

Cantique was formed in October 2007 after a meeting between Jan and John Hodson together with Anita and Jim Archer. The aim of the meeting was to form a balanced choir that would strive to perform elegant music of all styles, and so Cantique was born.

We are twenty in number, have all sung in a variety of choirs around the area and come together fortnightly to rehearse and perform music.

During our first six months together we have sung for the National Trust, for Eventa Management and performed concerts and workshops in venues from Liverpool, Aughton and Wigan.

In the very near future we are going to record our first CD and I ask you to look out for it and purchase it in order to help us raise funds to purchase new music and rehearsal premises.

Cantique provide the very best in choral and instrumental music specialising in charity concerts, weddings, funerals and corporate functions.

We are based in the North West of England
[Lancashire/Merseyside/Greater Manchester]
